I agree to pay the tuition fees according to the policies of the school.

B. Withdrawal

- a. I agree to withdraw my children if I fail to meet the tuition requirements as stated in the school board policy:

*"In the event of a non-payment of fee, parents are expected to withdraw their children before 30 days have elapsed. A **\$30** administration fee will be charged for each month the account in question is delinquent and each time a cheque is returned NSF. After two NSF cheques, parents may be required to pay their fees by cash or certified cheque and the monthly privileges may be withdrawn at the discretion of the board".*

- b. I agree that in the case that I desire to withdraw my child **after** registration has taken place and classes have begun, I will abide by the following statement designated by school board policy:

"If a student is withdrawn, tuition due for the remainder of the term will be due immediately. The school requires that a one month notice be given, in writing or by withdrawn form, one month in advance of departure so that any outstanding financial obligations by the parent or guardian involving the student be dealt with".

C. Additional Fees

- c. I understand that if my child wilfully causes damage to property or equipment, I will be liable for the assessed replacement cost of the equipment.
- d. I understand that the school board has endeavoured to project, as accurately as possible the budget and tuition fees are required to operate the school during the upcoming year. However, if our enrolment projections are not met, adjustments may be necessary to the tuition structure for assurance of safe and effective operation.
- e. A fee of **\$145.00** per year is assessed to cover Art Supplies and consumable classroom needs.
- f. A fee is charged each student for textbooks and consumable workbooks used through the year. This cost varies from grade to grade, however is always kept as low as possible.
